The swimming pool is an amenity provided for the enjoyment of Walden Park residents. Please respect other residents and the community of Walden Park when using this and other amenities by not disturbing the peace and enjoyment of the neighborhood. In order to provide a positive experience and safety to all of our residents, it is required that **children under sixteen (16) years old MUST be accompanied by a parent or responsible person at all times. There is NO lifeguard on duty.** We also ask that residents and guests please respect all neighbors, including children, by not using foul or abusive language. Only Walden Park Residents are allowed on Saturdays, Sundays and Holidays. (As Walden Park becomes more populated, we reserve the right to reduce this number or to designate certain days as “guest days”.) The HOA’s goal is to ensure the enjoyment of Walden Park amenities by all residents.**

**Do not give out the code. Sharing the pool/fitness code with non-residents will result in immediate suspension of pool and fitness center privileges. Non-residents in the pool area without a resident are trespassing on private property.**

If the rules and regulations are abused by a resident or guest, the resident’s pool privileges will be revoked, either temporarily or permanently (determined by each offense). For lessees, a violation of these rules and regulations constitutes a violation of the lease agreement.

No one is allowed in the swimming area unless the pool is officially open. If there is an emergency related to the Walden Park pool, please call 573-382-3000.

Walden Park HOA reserves the right to change these rules without prior notice. Walden Park HOA assumes no liability or damages arising from the results of participation unless due to willful or gross negligence on the part of Walden Park.
